Rooni - please

>>> "Naranjo, Eugenia" <Naranjo.Eugenia@epa.gov> 5/23/2013 12:20 PM >>>

The NBSA single-beam bathymetry data and water levels have been uploaded to the Tierra/EPA SharePoint site. The multi-beam file is too large to share electronically. The report will be submitted within the next two weeks. I can have LBG send the multibeam dataset in a DVD, who should I send it to (Rooni, Bill Gerken)?

Thanks,

eugenia
